

Wiring Ducts with Covers

Keep your wiring tidy inside your enclosure

Wiring ducts with covers enable you to route cables and wires into specific areas within an enclosure to help keep the inside of your enclosure neat and tidy. This benefit not only improves the appearance of your enclosure, but it prevents wires from touching areas they shouldn't, and it makes maintenance, modifications, and troubleshooting easier later.

		<i>Duct Length</i>	<i>Duct Width</i>	<i>Weight</i>
28517 Wiring Duct with Cover Kit (12 in. by 1.26 in.)		30.5 cm (12 in.)	3.2 cm (1.26 in.)	113.4 g (0.25 lb)
27207 Wiring Duct with Cover Kit (12 in. by 0.69 in.)		30.5 cm (12 in.)	1.75 cm (0.69 in.)	113.4 g (0.25 lb)
